Shirt Information:

All shirts are preshrunk 100% cotton. Machine wash & dry (turn inside out before washing/drying to preserve the screen printing).

PLEASE NOTE, the graphics below are provided so that you get an idea of the design ONLY - how much room the design takes up on the shirt WILL VARY depending on what size and/or style shirt you buy. For example, the same size design will naturally take up more space (be "larger") on the front of a ladies-fit shirt, because there is physically less shirt!

*Ladies' Fit Sizing Information

These are "Classic Fit" shirts, which (unlike itsy-bitsy babydolls) are close to your regular t-shirt size, just a nice fitted cut. Be sure to buy accordingly!

Remember, ladies' t-shirts are measured **flat across** the widest part of the chest – when you are NOT wearing it! Can't take your shirt off to measure it right now? Simply add a couple of inches to your usual chest/bust measurement, then divide it by 2 and select the closest size in the chart below. If you are between two sizes, we suggest you buy the larger size. Even preshrunk shirts will downsize a bit with time!
